

ABOVE THE LINE

Since he was first asked about depth charts and two-deeps, Georgia Tech head coach Geoff Collins has insisted that he doesn't believe in them. He coaches his student-athletes to be **ABOVE THE LINE (ATL)**. Those who are ATL are ready to play and can see game action, while others work to get to that level. In place of a traditional depth chart that often omits some student-athletes who see game action and lists others who seldom enter the game, Georgia Tech lists all student-athletes that are ATL numerically by position. The ATL list is updated on Thursday of each game week. The list below reflects those who are ATL going into Game 2 vs. Western Carolina.
